

Bute

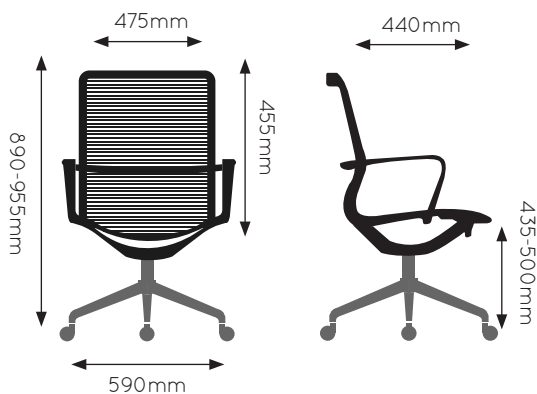

Simple and smart, chic and graceful.

With an eye catching, slim design delivering optimum comfort and flexibility; Claremont Centre Bute Conference Chair will not only stand out in looks but in performance and value too, whilst providing an effective, supporting solution for day-long meetings!

- Bute is made with breathable mesh to ensure all-day comfort by allowing increased airflow to help prevent body heat and moisture build up, keeping you cool as you work!
- The curved ergonomic backrest and elegant streamlined arm rest help to reduce fatigue, relieve pressure on your arms and shoulders and encourage a good posture.
- Slim design, flexible in function with full rotation, locking control to adjust the angle of the back and gas seat height adjustment the chair can be set to achieve users' optimum comfort.
- With a chic, modern aesthetic and available in a choice of black or grey, Bute is ready to add a smart and stylish look to your office environment.
