Welcome to your 2020 price list

**When you need good functionality
but you want great style.
We get it.**

As some of the most important elements of any office, it's vital that desking & task seating are comfortable and practical. But style is important too. At Claremont Centre we understand that this is a delicate balancing act. Our brand new task chair range, specified alongside our FIRA Gold awarded desking, combines practicality, wellbeing and design. We offer a portfolio that prioritises the comfort and needs of staff while bringing a touch of class to the environment.

Excellence attained

Claremont Centre awarded Fira gold certification

Claremont Centre products have been assessed against specified performance levels through rigorous tests conducted by FIRA. This procedure provides documented proof that Claremont products are of the highest quality. Having been awarded the FIRA Gold Certification for a further three years, this will further reinforce our customers' confidence that Claremont Centre is a reputable supplier of reliable, high-quality office furniture that meets the highest industry standards.

FIRA International provides a wide range of independent expert services that are not only dedicated to the global furniture supply chain, but also to furniture consumers, and continues safeguarding the industry through managing the Association's membership activity.

Evaluating quality in office furniture

FIRA Gold for Products covers all types of furniture and components. The scheme has rigorous test requirements for the products covered, backed by an ongoing audit and re-test programme to ensure that a particular product has achieved the FIRA Gold certification and maintains that high standard.

In the manufacture of office furniture FIRA identifies the best in class as being tested and certified to British Standards for strength and stability, quality of surface finishing, ergonomics, craftsmanship and fitness for purpose.

Independent Validation to the industry highest standard guarantees duty of care in the selection process and offers genuine peace of mind and total re-assurance of both product and provider.

"We are delighted that our ongoing commitment to quality and product excellence is recognised in the renewal of our FIRA Gold certification until 2022.

FIRA Gold Certification has been developed to safeguard the interests of the specifier and provide a simple way to recognise quality - for total reassurance.

As a manufacturer committed to being of maximum service to our dealer partners, this accreditation demonstrates that your customer can be completely confident that the specified Claremont product has been tested and audited by the industry experts, demonstrating a duty of care in their selection process."

John Fulton - Managing Director

Definitions:
“Company” means Claremont Centre Limited a company incorporated under the Companies Acts (SC058216) and having its Registered Office at 112 Cornwall Street South, Glasgow, G41 1AA;

“Customer” means any person, body of persons, firm or company with whom the Company enters into a Contract for the supply of goods or services;

“Parties” means together the Company and the Customer.

1. Overriding provisions
Unless otherwise agreed in writing, all orders placed (whether verbally or in writing) & all goods & services sold or provided by the Company are subject to & upon these terms & conditions which, the Customer shall be deemed to have agreed to be bound by as the standard terms of business in relation to all present & future dealings between parties. The Company does not contract on the Customer's terms & conditions & acceptance or counter offer by a Customer following an offer or quotation by the Company shall be deemed to have been made on the understanding that these terms & conditions shall apply to any contract subsequently concluded to the exclusion of any other terms & conditions to which such acceptance or counter-offer may have been expressed to be subject or which might otherwise apply.

2. Orders
2.1 The Company reserves the right to accept verbal orders but such orders shall always be confirmed in writing by returning the signed order confirmation to the Company. The Company has the right to refuse any order.

2.2 The Customer may not cancel any order once accepted in writing without the Company's written consent & the Customer agrees to accept liability for all expenses or loss incurred by the Company in relation to such cancellation.

2.3 All technical drawings, documentation or any other information whatsoever (together with the intellectual property rights therein) which the Company has submitted to the Customer prior to the cancellation of the order shall remain the property of the Company & shall be returned to the Company immediately upon cancellation.

3. Quotations
3.1 All tenders of quotations by the Company are valid for 30 days only, from the date of quotation, unless otherwise varied in writing & the Company reserves the right to withdraw the tender or quotation within that 30 day period.

3.2 Or at any time.

3.2 No quotation or tender by the Company nor the publication by the Company of any other document shall place the Company under any duty of liability to the Customer & whilst all reasonable care will be taken in the compilation of such tender quotation and/or other documents as aforesaid the accuracy is not guaranteed or warranted.

3.3 The price stated in a sale contract under the terms of which the Company is to provide goods or services will be based on information available to the Company at the date the contract is prepared & if between that date

& the date on which the order is confirmed to the Company by the Customer there shall be any variation in the cost of materials, labour or overheads to the Company the contract price may in the absolute discretion of the Company be increased to take account of any such variation.

4. Payment
4.1 An invoice for goods or services supplied by the Company will be paid in full by the Customer within 30 days of being issued by the Company without any deduction, set off or counter-claim by the Customer unless a written agreement has been signed off by the parties.

4.2 All bank charges shall be met by the Customer.

4.3 In the event of non-payment by the Customer of an invoice rendered by the Company within 30 days of the same being issued (“the due date”), the Company shall be entitled in addition to all other rights to enter upon any land or premises where the goods supplied by the Company are located & recover possession of the same.

4.4 In the event of non-payment by the due date the Customer shall lose any discount granted by the Company & the full price for the goods or services shall become payable by the Customer.

4.5 Interest at the rate of 1% above the bank of Scotland base lending rate from time to time shall apply to all sums remaining unpaid after the due date on invoices rendered by the Company.

4.6 Until full payment has been received by the Company for all the goods supplied and/or services rendered at any time by the Company to the

Customer:- i) the property & goods shall remain the property of the Company; ii) should the goods be converted in to a new product whether such conversion involves use of any other goods or thing whatsoever & in whatever proportion, the conversion shall be deemed to have been effected on behalf of the Company & the Company shall have the full legal & beneficial ownership of the new product; iii) subject to (iv) & (v) below the Customer shall be at liberty to sell the goods in the product referred to in (ii) in the ordinary course of business on the irrevocable condition that the proceeds of sale shall immediately be remitted to the Company to whom the Customer shall account on demand; iv) the Company may at any time revoke the Customer's power of sale of goods supplied by the Company by notice to the Customer if the Customer has failed to pay an invoice on the due date or any sum whatsoever due to the Company (whether in respect of the goods or any other goods supplied or services rendered at any time by the Company to the Customer) remains unpaid or if the Company has a bona_fide doubt as to the solvency of the Customer; v) the Customer's power of sale of goods supplied by the Company shall automatically cease if an administrator or receiver is appointed over assets or the undertaking of the Customer or a winding up order is made against the Customer or the Customer goes in to voluntary liquidation (otherwise than for the purpose of reconstruction or amalgamation) or causes a meeting of or makes any arrangement or composition for
